GOLD Membership Registration for the Measures & More Mastermind Program

Dear Corporate Planner, Business Analyst, Process and Improvement Officer, or Performance Measurement Leader:

Grow your expertise as a performance measurement practitioner and professional.

Access better practices *directly* from the world's performance measurement thought-leaders and how-to experts.

Connect with a supportive and inspirational network of your performance measurement peers.

Here's a summary, but you can read more detail at <http://www.measuresandmore.com>:

1. **Monthly EXPERT INTERVIEWS** presented conveniently via phone and webcast, where I interview international experts, authors and thought leaders in performance measurement and management, and give you direct access to ask them your questions.
2. **Monthly HOW-TO CLASSES** presented conveniently via phone and webcast, with me and my occasional selected guests to give you the steps to master specific topics in implementing performance measurement.
3. **Occasional Q&A Webcasts** hosted conveniently via phone and webcast, to answer your own questions on topics related to performance measurement.
4. **Online Audio ARCHIVE** of every Mastermind webcast! You may not be able to make it live to every webcast. But you don't have to worry about missing a call, because within the next 24 hours, you'll be able to log into the MMMM forum and download the mp3 recording to listen on your mp3 player or computer or iPod. Easy!
5. **Measures & More Monthly – members-only print NEWSLETTER** posted directly to you, and packed with a how-to performance measurement article, a Q&A column, guest articles on topics to boost your personal professionalism, sample performance measures for specific result areas (like customer value or process efficiency), a case study and more.
6. **Private LASER COACHING Call-in Days** for you to phone or Skype me for a one-on-one 10 minute focused coaching session, where we brainstorm ideas or discuss a tip to assist you with a performance measurement challenge you're facing. Note: this coaching is on a first come, first served basis – we do not take bookings, but do announce the upcoming call-in times within which you can call me at your convenience.

You can register for personal membership, or corporate membership... details over the page.
